Dear Kevin,

I want to begin by thanking you for making our Restoration of Ancestral Pride Tower of Hope Campaign a great success. In three months the dream of our \$700,000 goal was reached and surpassed. Your talent, dedication and enthusiasm in raising pledges for our church was contagious to all of the volunteers that helped on the Campaign. You made it fun to come to all the meetings and we had lots of laughs and you still were very professional and got the job done.

Kevin , on a personal note I want to thank you for helping me . I didn't think I was going to be able to speak from the pulpit in front of my fellow parishioners , but I did thanks to you , with your confidence in me and knowing you were cheering me on I did it.

If there will ever be another Capital Campaign to run and I am the co-chairwoman again - hands down Lynch Development Associates has my vote.  
Lots of success in your future Campaigns . And once again Thank You Kevin.

Warm Regards,

Janet Coviello  
Co-Chairwoman
