Dear Kevin,

As our Capital Campaign for 1.2 million dollars comes to an end, I want to thank you for all that you and your staff did to make our campaign a success. We have exceeded our goal and pledges continue to come in!

We had some reservations about running a campaign during these difficult economic times, but you were accurate when you advised us to move forward with the confidence that the people would respond once they understood the needs.

Once we made the decision to move ahead, you provided the services you promised with no surprises. In fact, everything that you projected was right on target. From the feasibility study to the actual campaign we experienced a great comfort level.

Most of all, I want to commend the leadership and service of Tom Smith, the Director assigned to us. He was professional in every way and worked very well with our diverse staff. He helped to keep me focused and provided great insight as questions and even doubts arose. At the same time, I was impressed by all of your staff members who worked here at our parish during the various phases of the campaign.

I am grateful the services provided by Lynch Development and would not hesitate to utilize your services again in the future.

Sincerely in Christ,

Rev. Msgr. Robert Emery
Pastor
