To Whom It May Concern:

I am writing this recommendation at the request of Kevin Lynch, President of Lynch Development Associates. I first met Kevin serving together on the ICSC Board of Directors three years ago. At the time of our meeting and since as a member of this committee, I have watched him making his contributions as a member of this committee.

Last year while our Parish was searching to engage a major capital campaign company to help us with our Parish campaign, we made contact with Kevin, and as a result we hired Lynch Development Associates to run our Capital Campaign.

We as a Parish have been very satisfied with the professionalism that Lynch Developments has shown us, especially in the person, Meagan Tenety who spent most of the past three months with us. Meagan has been extremely valuable in her fine work and partnership as we experienced in working with her. We found her to be energetic, innovative, consistent, and extremely positive. We always felt reassured of Meagan's efforts and commitment to our campaign, and both myself and the other staff developed a sincere appreciation of her.

If we are in a position in the future whereby we require assistance with a campaign, we would definitely wish to work again with Meagan.

If you wish further information on our working relationship with Meagan and Lynch Development Associates, please contact me by telephone at (902) 876-2235, or by e-mail at jmackinnon003@gmail.com.

Sincerely,

Rev. Joseph MacKinnon
Pastor
