

CHURCH OF THE SACRED HEART  
ROSLINDALE MA 02131

To Whom It May Concern:

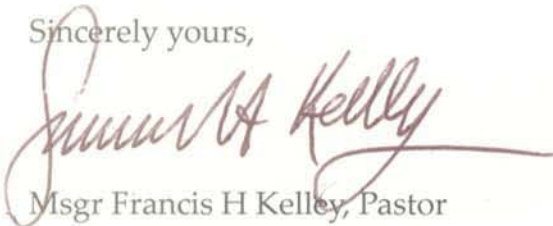

Sacred Heart Parish in Roslindale, Ma has successfully completed an increased giving campaign in the past two months. We have used Lynch Development Associates of Huntington, New York in our efforts to increase the offertory giving of our parish members. We are pleased with Mr Kevin Lynch and his entire operation in this undertaking.

His organization provided all of the necessary letters as well as the mailing services. Our staff found their staff helpful and supportive to work with. As well, they followed up promptly with the thank you letters and the tabulation of giving. As well they kept track of the weekly increases in giving for our parish records.

A significant key to this increased giving program is that Lynch Associates worked very well with our own parish staff. To me this is a key element to such a fund raising undertaking. I did not want to place an extra burden on our own parish staff.

I recommend Lynch Associates without any reservations. They work very well with the parish staff both lay and clerical.

Sincerely yours,

Msgr Francis H Kelley, Pastor
