Kevin Lynch provided expert assistance in designing the Fiftieth Anniversary Campaign, strengthening Saint Gerard Majella Parish for a noble future. I appreciated his expertise in organizing and implementing this fundraising effort. He listened to me - my hope for the parish, my reluctance to be scripted by someone else, my worries about being direct- and calmly suggested alternative ways of looking at the same topics. Kevin fulfilled his role as a consultant by teaching and coaching me at each stage of the process. In turn, he surrendered to a few items that I continued to describe as non-negotiables. From the Fiftieth Anniversary Campaign, I gained some skills that have made me a better pastor.

I enthusiastically recommend Kevin Lynch Development Associates. Having recently moved, I invite you to contact me at my new parish, St. Mary's, at 508-528-0020.
