Dear Kevin,

On behalf of our parish trustees, Finance Committee and most importantly, our 100<sup>th</sup> Anniversary campaign committee, I want to commend you and the Lynch Development Associates team for an excellent capital campaign.

Even before the campaign began, we were very pleased with the Feasibility Study your firm conducted. It enabled us to soundly establish our goal and therefore, our budget for our project. Thus we were able to launch a campaign based on a project that was assuredly attainable.

The Lynch Development team which helped us to conduct the campaign performed with great efficiency and care for parishioners.. This made possible a very successful campaign..

Of course, the most important aspect is the bottom line. Our goal was \$1.2 million. We have almost \$1.7 million pledged. What's more, pledges are still coming in three months after the campaign was completed.

Therefore, we definitely recommend Lynch Development associates for parishes or any organization planning a capital campaign.

Sincerely yours,

Rev. Msgr. Joseph Mirro
