Dear Kevin,

I wish to thank you and your team for the extraordinary work you did on our capital campaign. Even though our campaign provided your talented team with some unusual and added challenges, they not only met our expectations but also exceed them at every turn.

Your expert advice and wise counsel throughout the campaign was invaluable. The professionalism that your team exhibited when speaking with parishioners was a major contributing factor to the overall success of the endeavor. Please accept my heartfelt gratitude for the work you did for the Church of St. Mark and my unconditional endorsement of the services Lynch Development Associates provides.

Yours in Christ,
