Dear Kevin,

Please accept my sincere thanks for all that you and your staff did to assist St. Bartholomew with its three year \$1.5 million Capital Campaign, entitled "**Maiora His Videbis: You Will See Much Greater Things.**" Although there was great hesitation on our part about running this campaign during these economic times, you helped us to understand that parishioners would support this effort if they could see the need. We have just completed the pledge phase and have actually exceeded our goal. This is amazing!

Steve Michalek, who was assigned to work with us on the campaign, was professional and knowledgeable at all times. He guided us through the various steps and customized the campaign to meet the needs of our parish. The smooth interaction and collaboration with the parish staff was also an element in the successful outcome.

We could not have done this without your help. I enthusiastically and unconditionally recommend Lynch Development Associates to any parish that wishes to conduct a campaign. Thank you again for helping this to work for us.

Sincerely,

Very Rev. Thomas J. Walsh  
Pastor
